## CHRIS and JAMIE

Chris and his wife Jamie have been living in Taiwan since 2008, and they have three kids (number four coming December 2023), all made in Taiwan: Enoch, Noah, and Judah. They started Aroma Ministries in 2012 and have launched a cafe and church while getting involved in various aspects of culture in Taiwan. They host teams and interns from the United States throughout the year. They are excited to see Taiwan in revival as more people smell, become, and spread the Aroma of Christ!

## BRAIN and MICHELLE DAVIS

Brian and Michelle Davis are the Envision NYC site coordinators. Their family transitioned to NYC in 2017 after working in Senegal for nearly a decade. They traded lots of sand and lingering hours sipping tea and talking with neighbors for the fast-paced city life with West African immigrants who live in two worlds...America and their home country. These days they can be found teaching ESL, sharing chronological biblical stories with interested individuals, developing interns & immersion teams, and enjoying the diversity of NYC.

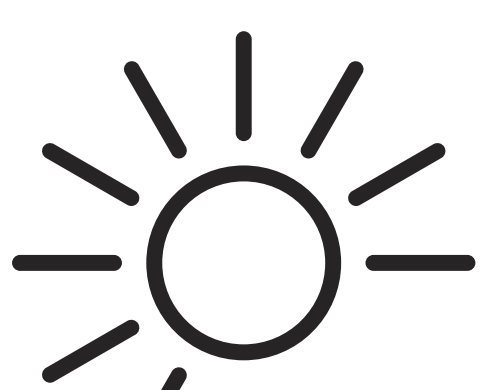

We work with many ministry partners who minister among their ethnic community in NYC. For their security and privacy we cannot list them even though they are an integral part of our team!

Brian 和 Michelle Davis 是 Envision NYC 協調員。他們一家人在塞內加爾(Senegal)工作近十年後，於 2017 年搬到了紐約。他們透過休閒茶聚與鄰居建立友誼。他們以生動的個人分享和聖經人物故事和教授 ESL。同時他們不斷組織事工服事團隊。

Brian 和 Michelle 與許多事工夥伴合作，他們在紐約市的少數族裔社區中事奉。為了他們的安全和隱私，無法一一列出他們的名字，但每一位都是團隊不可或缺的一部分！

## JASON and GAO-JAI!

We have officially been living in beautiful Thailand for 2 years! What a journey it has been so far. The kids started school in August. Gaojoua is now in middle school. We don't have any kids in elementary school anymore. It is bittersweet to see the kids grow up and not have little ones anymore. Xuying, Chuseng and Gaojoua are all playing volleyball competitively for ICS. Xuying and Chuseng are playing on the varsity team and Gaojoua is playing on the girl's team. Jason has volunteered to be one of the volleyball coaches.

Gao-Jai's parents came to visit us in July. We went to visit the points of entry locations where her parents escaped the war to seek refuge. We visited the refugee camp where her mom grew up in and where Jason's parents got married. Growing up, we heard so many stories of what life was like in the refugee camps. It felt surreal to be standing in the place where thousands of Hmong people once gathered together in search of a new beginning.

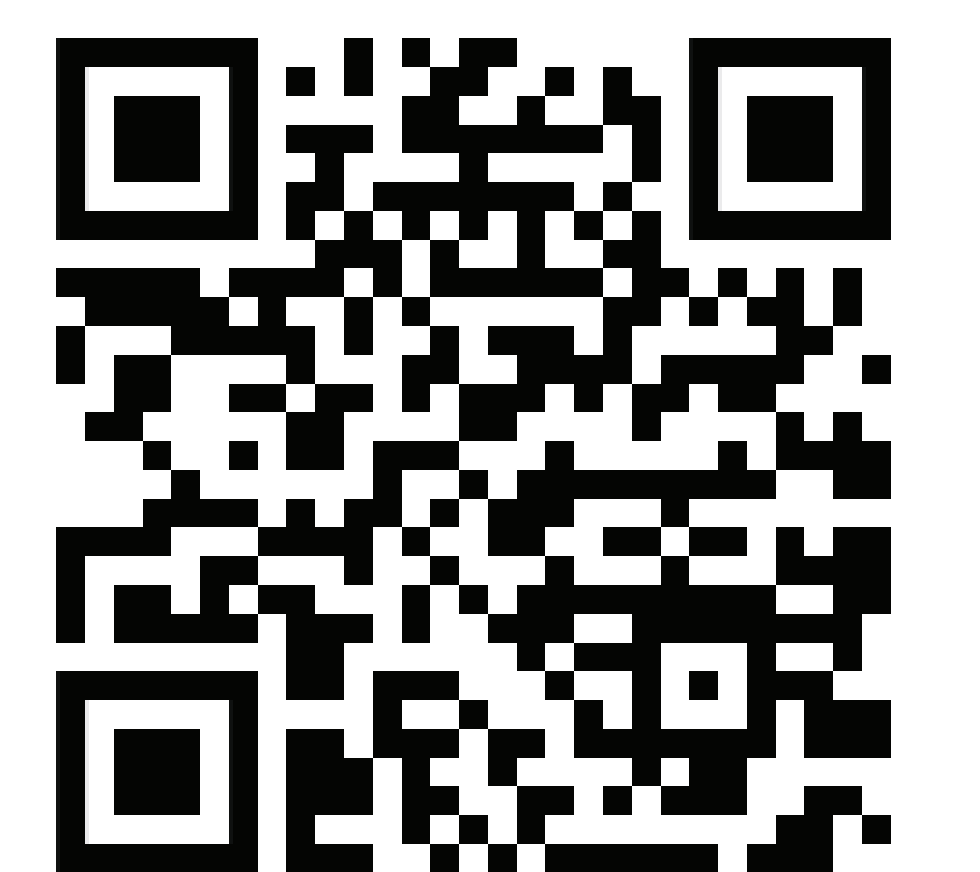

我們正式在美麗的泰國生活了兩年！到目前為止，這是一段多麼美好的旅程。孩子們八月份開始上學。Gaojoua 現在正在上中學，看到孩子長大了，不再是小孩子，真是苦樂參半。Xuying, Chuseng 和 Gaojoua 都在 ICS 打排球賽。Xuying 和 Chuseng 在大學代表隊打球，而 Gaojoua 在女子代表隊打球。Jason 希望成為一名排球教練。

Gao-Jai' 的父母在七月來看我們。我們去了她父母逃離戰爭尋求庇護的入境點。我們參觀了她媽媽長大的難民營，也是 Jason 父母結婚的地方。在成長過程中，我們聽過很多關於難民營的故事。站在曾經有成千上萬的苗族聚集在一起，尋找新開始的地方，感覺很超現實。

我們的異象願景：  
領人在基督裡追求全然成聖的生命，將更新帶進家庭、社區、紐約市以及其他地域，榮耀上帝。  
(帖前 5:23-24)

竭力裝備信徒成為主合用的工人，實踐大使命的吩咐；並以信徒在主裡合一的見證，來讚美及榮耀神的名。
