**THIS IS ETERNAL LIFE: THAT THEY MAY KNOW YOU, THE ONLY TRUE GOD, AND THE ONE YOU HAVE SENT —JESUS CHRIST.  
JOHN 17:3**

**Beloved church and prayer partners,**

We are very happy to be in touch with you and tell you some of the things we have done during this last month and how things have been in Panama. Thank God we are now legal in Panama.

#### **Panama Situation**

This last month has been difficult days for the country, due to some strikes and marches against mining. This has brought backwardness, looting of businesses, uncertainty and shortage of supplies such as vegetables and fruits and in the interior of the country gas. Praise the Lord in Nov 28 the strike finally finish with the resolution from the Supreme Court, but still you can see the lack of some products at grocery store. lease pray everything goes to normal soon the better...

#### **Missionary Trip...**

At the end of October, we went on a Missionary trip to the city of Chitre, together with some of the leaders of our church, we were sharing with the youth of the Alliance of Chitre, to confirm the brothers and also to encourage the new believers and to preach the gospel.

It was a time of great blessing not only for our lives but also for the lives of these young people. Please pray for their spiritual growth and that many more will continue to be added to the church.

#### **Teaching opportunities...**

During the month of October, we had an emphasis on missions and during that month Marion was able to share with the children and teenagers in Sunday school class, the life of Paul and his missionary journeys, as well as tell them our personal story. It was a very nice time and we thank God for each boy and girl.

On the other hand, Marion had the opportunity to share a workshop on missions in the Church and it was a time of reflection and study of the word.

Every Tuesday of the week we have the Church Bible study, after having been studying for many months the book of Romans, we started a new series of study of Spiritual Gifts. We pray that God may speak to our brothers and sisters so that they may know use their gifts in the service of God and the edification of the Church.

Likewise every Thursday night we continue with the NY youth group and a few weeks ago we began to study Bible stories, it has been a very interesting time to hear what God shows in his word to each one of them, please pray for these young people that God will continue to bless their lives and answer their prayers.

#### **Baptisms**

We are very happy because Melody, Melissa and Jeni, took the step of baptism, it was a very special day for the church, for them and for us too, after having been with them for several months teaching them and seeing them grow and make the decision to obey this ordinance of the Lord.

Please pray for them and their spiritual growth, may God continue to bless them, also pray for Emy who was in the process but in some point said she wasn't ready yet, eventhough hopes to be ready next year, also pray for Elena who is from Changuinola and could not come to Panama City because of the protests but next year we will make a special trip there to be able to baptize her in her church.

#### **Celebrating life**

On the 20th of Nov Jesus Alfonso was blessed to reach his 45th birthday, his first birthday here in Panama, we thank God for life and for his faithfulness throughout this time. In the 29th of the same month, we celebrate the first birthday of Lucas Emanuel, who is and has been a miracle and gift from God.

#### **Time to Share...**

As a church we had the opportunity to celebrate a barbecue, it was a time of great fun, between games and laughter we were able to have fellowship with each other.

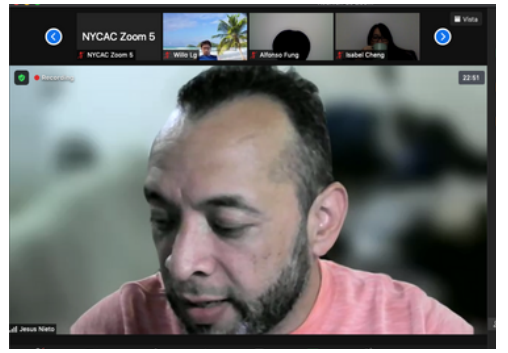

We arrived at the last month of the year, a month of much celebration, starting with Mother's Day which is celebrated here on the 8th and then Christmas and New Year and we hope that this month you can also have times of sharing with your families, friends and brothers in Christ and above all you can meditate on the love and faithfulness of God for your lives because he has given us the best gift, his son Jesus Christ who gives us eternal life.

Thanks for been in partnership to reach the world for His Glory.
