Beloved church and prayer allies,

Today we completed 4 weeks of being in Panama, we thanks God for all those who before and during this time have been praying for us.

It has been a time of adaptation, of getting to know, sharing and savoring the richness of this nation. After having had a wonderful time in Argentina, now Panama is our new home where we are to fulfill God`s plan for our lives in these next 4 years.

We glorify God for the loving reception of the brethren of the church and we remember what Romans 12:10 says ...

**BE DEVOTED TO ONE ANOTHER IN
BROTHERLY LOVE; GIVE PREFERENCE
TO ONE ANOTHER IN HONOR.
ROMANS 12:10**

Because from the first day the Church Alliance Cerro Viento have shown us their affection and brotherly love especially for Lucas, supplying everything necessary for our arrival and tranquility in this first stage.

We continue getting to know the brothers and families and connecting with others so that we can get to know the needs of this beloved church.

Our prayer and desire has been to know what is in God's heart so that we can join in what he is already doing here in this place.

Our focus for the next 4 years will be to work with the 2nd generation (Chinese-Panamanians) forming and equipping new disciples committed to the mission of Jesus, so that they will be willing to be sent out to continue extending his kingdom to the ends of the earth. So we ask you to join us in prayers for this.

On the other hand we ask that you continue to pray for our discipleship group that we have every Thursday for the last 2 and a half years so that God may be glorified in the life of each one of these young people and an spiritual revival come to our life.

Lucas Emanuel turned 4 months old and it has been a process of adaptation for him because of the weather and humidity, however we thanks God that little by little he is adapting very well.

Please pray that the Lord will continue to broaden our vision and renew our strength to be the parents that Lucas needs and also to fulfill the mission that God put in our hearts.

Well once again we thank you for reading our newsletter and for supporting us in prayer. Now from Panama, we send you a warm hug.

We would like to know how we can pray for you.
